Dear Father

We should be grateful for your help in allocating places for this school. The first criterion for admission is that preference is given to practising Catholics. We also give sympathetic consideration to situations where there is a particular social or pastoral reason why a pupil should be accepted. To ensure that priority is given to those whom you regard as having the strongest claim to a place, please comment on the following:

Does the family, or just the pupil, attend church (or equivalent) on a weekly basis?.....

Are there special circumstances which the school should know about? .....
