

Stay and Play Plus Speed Minding Event

Thursday 19 January 2012, 10.00am–12.00noon

Childminders Stay and Play @ Barnard Park
Copenhagen Street, N1 0JU

Looking for childcare?

The Childminding Support Team and local registered childminders in the Bemerton and Kate Greenaway Children's Centre areas invite you to a stay and play session at Barnard Park.

At the session you will have the opportunity to meet childminders with vacancies and talk to them about services they offer. If you are interested in using a childminder's service you can then make an appointment to visit the childminder at home.

You can also talk to the Childminding Information Officer about childminders as childcare option or specific support when looking for a childminder.

No need to book. For more information email childminding@islington.gov.uk or contact the Childminding Support Team:
