| | | | | | | | - | View | Design Statement | The council's aim is to provide safe, accessible, green, efficient, secure, and attractive streets. To support this aim the council has produced the Islington Streetbook to ensure that all works are carried out to a consistently high standard, and respect the local context. It does this by setting out standard design procedures and specifications that must be followed at every stage | | Select | TfL Code |
| | | | | | | | - | View | Cons. / Comm. Approval Details | The proposals have the full support of the Hospital. Where formal consultation is required for any individual scheme, this will be carried out as part of the project plan. | | Select | TfL Code |

| BS\09\AS\ISL.01 | No | No | No | No | Yes | No | Road Facing Sign? No; TfL, Mayor of London, TfL IP logo | No | | | | No | | | | The indicated council expenditure is estimated on levels of expenditure in recent years. This includes the widespread upgrade of facilities wherever footwork renewal is carried out. For further details please refer to the supporting information. |
| BS\09\AS\ISL.02 | No | No | No | No | No | No | Road Facing Sign? No; TfL, Mayor of London, TfL IP logo | No | | | | No | | | | For further details please refer to the supporting information. |
| BS\09\AS\ISL.03 | No | No | No | No | No | No | Road Facing Sign? Yes; TfL two line mark | No | | | | No | | | | The scheme features a mock signal crossing but would not be on public highway so we would hope that this would not need to be subject to tfl signals planning and slot allocation. For further information please refer to the supporting information. |
