

Local Development Scheme

April 2016

1 About the Local Development Scheme

- 1.1. Islington Council has a duty to maintain a statutory Local Plan, which is used to inform decisions on planning applications in the borough. It also has a duty to maintain an up-to-date **Local Development Scheme (LDS)**¹.
- 1.2. The LDS is a formal work programme which identifies which planning documents the council proposes to produce over the next three years, and when these documents are expected to be consulted upon and adopted.
- 1.3. Islington Council has a Local Plan in place. Islington's Core Strategy was adopted in February 2011. The Council adopted the Finsbury Local Plan, Development Management Policies and Site Allocations in June 2013, which contain further detailed policies on how the Core Strategy will be delivered, and these three documents have been fully tested against the NPPF. However, the Local Plan and the evidence behind it need to be kept up-to-date.
- 1.4. This LDS sets out a timetable for a review of the Local Plan. In addition, it identifies when Supplementary Planning Documents/Guidance will be produced and reviewed. Indicative timetables for document preparation and review are provided in Appendices 1 and 2.

What's in a Local Plan?

A Local Plan contains planning policies which are used to make decisions on planning applications.

A Local Plan is composed of one or more **Development Plan Documents (DPDs)**. These documents are subject to a statutory preparation and adoption procedure, including an Independent Examination.

Supplementary Planning Documents (SPDs) are used to elaborate on policies contained in DPDs. They are not part of the Local Plan. SPDs are prepared using a set procedure for public consultation, but do not undergo Independent Examination.

The **Statement of Community Involvement (SCI)** sets out minimum standards for community involvement in both plan making and in determining planning applications. It is not part of the Local Plan. Islington's current SCI was adopted in July 2006 and is currently being reviewed.

2 National and London-wide planning policy

- 2.1. The government published its National Planning Policy Framework (NPPF) in March 2012. This document sets out how councils should produce planning documents to guide the development and use of land within a local authority's boundary.

¹ Prior to the Localism Act 2011, the LDS was required to be approved by the Secretary of State. This is no longer the case.

- 2.2.** In 2011 the government introduced changes to the planning system through the Localism Act. This gave new powers to communities to produce Neighbourhood Plans (see Section 5 for details of neighbourhood planning in Islington).
- 2.3.** The Mayor of London produces, and regularly reviews, a Spatial Development Strategy for London (known as the London Plan). All London boroughs' Local Plans must be in general conformity with this document. The current London Plan, consolidated with a number of alterations made since 2011, was published in March 2016.

3 Islington's Local Plan

- 3.1.** Islington has an up to date Local Plan, which comprises the following documents:
- Core Strategy (February 2011)
 - Development Management Policies (June 2013)
 - Site Allocations (June 2013)
 - Finsbury Local Plan (previously the Bunhill & Clerkenwell Area Action Plan) (June 2013)
- 3.2.** The Policies Map (formally referred to as a Proposals Map) which forms part of the statutory development plan, and reflects policies, designations and allocations arising from the DPDs was also adopted in June 2013. The Unitary Development Plan (June 2002) was wholly superseded by the above four DPDs.
- 3.3.** A number of changes have been proposed to the current National Planning Policy Framework (NPPF) in a consultation document published in December 2015, and the revised NPPF is expected to be finalised later this year. In addition, the whole planning system is currently undergoing significant reforms. These are being introduced via the Housing and Planning Bill 2016 and the associated regulations and guidance.
- 3.4.** In light of the above, the Council is reviewing its Local Plan. It is likely that the Core Strategy and the Development Management Policies will be merged into a single Plan, whilst the Finsbury Local Plan and the Site Allocations are likely to remain as stand-alone documents. During 2015 the Council focused on evidence gathering, which will be continuing throughout 2016 and into 2017. The Council will also commence the formal process of reviewing the Local Plan during 2016 with a view to have a revised Plan adopted by late 2018/early 2019.
- 3.5.** An additional DPD – the North London Waste Plan – has been in preparation over the past few years in partnership with the London Boroughs of Barnet, Camden, Enfield, Hackney, Haringey and Waltham Forest. The seven boroughs submitted a draft version of the plan for Independent Examination in February 2012. Public hearings commenced on 12 June 2012, but were later suspended to enable the Inspector to consider whether the plan had met the Duty to Co-operate. On 31 August 2012, the Inspector issued his determination that the plan did not meet the Duty to Co-operate. The boroughs are now in the process of preparing a revised version of the plan.

Islington Local Development Scheme 2016

- 3.6.** The Finsbury Local Plan applies only to the part of the borough indicated in Figure 1 below. Other elements of the Local Plan apply to the whole borough. It is possible that some amendments to the boundary of the area covered by the Finsbury Local Plan might be made during the plan review.
- 3.7.** An indicative timetable for reviewing elements of the Local Plan is provided in Appendix 1.

4.2. The following SPDs will be prepared or revised over the next three years:

- Urban Design Guide (revision to existing SPD)
- Planning Obligations (revision to existing SPD)

- Moorfields Eye Hospital
- Conservation Area Guidelines (to be replaced on an on-going basis, as necessary)

4.3. In addition to SPDs, a number of Planning Guidance Notes (PGNs) may be used in the planning decision-making process. In some cases the council has replaced or will be replacing previous PGNs with SPDs. An indicative timetable for preparation of all non-Local Plan documents is provided in Appendix 2 of this LDS.

5 Neighbourhood planning

- 5.1. As of early April 2016, four community groups have expressed interest in neighbourhood planning in Islington: King's Cross; Crouch Hill & Hornsey Rise; Archway; and Mount Pleasant). A Crouch Hill & Hornsey Rise *neighbourhood area* was formally designated by the council in November 2015. A *neighbourhood area* and a *neighbourhood forum* for Mount Pleasant were formally designated in February 2016.
- 5.2. Although the council provides guidance to community groups, Neighbourhood Forums are responsible for advancing neighbourhood planning in their areas and will work to their own timescales. Therefore, it is not possible to include timetables for preparation of any potential Neighbourhood Plan.
