Hi

This is the 4th or 5th attempt to force an unwanted Sainsbury into this location where it is just not suitable.

It feels like a harassment campaign by Sainsbury's on our community there are 5 or 6 Sainsbury Local within a 1 mile and already 1 store on Blackstock Road, we do not need a second and further degradation of the eco-system of shops and employment in our area

The continuous rejection by local residents of the Sainsbury plan

Please remove the ex-Highbury Vale police station from the Finsbury park plan as it is really not in that area

**Regards**
