The Council of the London Borough of Islington, after consulting the Commissioner of Police of the Metropolis, in exercise of the powers conferred by sections 6 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984^a as amended, and pursuant to the continuation of arrangements made with the London Boroughs of Camden, Hackney, and Haringey, the Common Council of the City of London, and Transport for London under either section 101 of the Local Government Act 1972^b, or section 9EA of the Local Government Act 2000^c as amended, in accordance with the Local Authorities (Arrangements for Discharge of Functions) (England) Regulations 2012^d, as the case may be, insofar as any provision herein relates to a boundary road shared with any of those authorities, or a GLA road and of all other powers thereunto enabling, hereby make the following Order:-

PART I - PRELIMINARY

Citation and commencement

1. This Order may be cited as the The Islington (Moving Traffic Restrictions) Traffic Order (No. 6) 2026 and shall come into force on 17 April 2026.

Revocation of Orders and modifications

2. (1) Without prejudice to the validity of anything done or to any liability incurred in respect of any act or omission before the coming into operation of this Order, The Islington (Moving Traffic Restrictions) Traffic Order (No. 14) 2025^e and any Orders amending or applying the provisions of any of that Order are hereby revoked in their entirety.
 - (2) Notwithstanding paragraph (1) of this Article, where the provisions of an Order specified in that paragraph are suspended, varied or applied by an Order made under section 9 of the Road Traffic Regulation Act 1984, then that suspension, variation or application as the case may be, shall continue in force as if those provisions were the provisions of this Order, until such time as the Order made under section 9 of that Act is revoked or expires.
 - (3) Without prejudice to the validity of anything done or to any liability incurred in respect of any act or omission before the coming into operation of this Order, in comparison to the Order(s) revoked by this Order this Order shall have effect as though:
 - (a) the items listed in column 2 of [Schedule 33](#) have been added to the Schedule listed in column 1 of [Schedule 33](#);
 - (b) the items listed in column 2 of [Schedule 34](#) have been removed from the Schedule listed in column 1 of [Schedule 34](#);
 - (c) the items listed in column 2 of [Schedule 35](#) have been suspended from the Schedule listed in column 1 of [Schedule 35](#); and

"passenger vehicle" means a motor vehicle (other than a motor cycle) constructed or adapted solely for the carriage of not more than twelve passengers (exclusive of the driver) and their effects and not drawing a trailer;

"pedal cycle" has the same meaning as in Schedule 1 to the Traffic Signs Regulations

^k 1999 c.29

and General Directions 2016, and “cycle”, without more, shall be construed accordingly; “pedestrian zone” and “pedestrian and cycle zone” have the same meanings as in Schedule 1 to the Traffic Signs Regulations and General Directions 2016;

“permit holder” means, either:-

(a) in respect of an exception to a pedestrian and cycle zone restriction referred to in [Article 11](#), either:-

- (i) a person who has satisfied the Council or authorised agent that their main place of residence, employment, business or organisation is located at premises the postal address of which is specified in column (4) of the table in [Schedule 19](#) in relation to that pedestrian and cycle zone, and who has been granted or issued a permit excepting a specified vehicle from that restriction during the hours of operation thereof, and with which permit is associated the permit identifier specified in column (4) of that table; or
- (ii) a disabled person’s badge holder who has satisfied the Council or authorised agent that they have a bona fide reason for entering a specific pedestrian and cycle zone during the hours of operation thereof, and in respect of whose vehicle a permit to enter that pedestrian and cycle zone has been granted or issued; or

(b) in respect of an exception for a restriction which specifies “AMW”, “CBE”, “CBW”, “CGR”, “SH1”, “SMC”, “STP” or “XM7” permit holders, “permit holder” means a person, who is the holder of a disabled person’s badge, who has satisfied the Council that their main place of residence is located at premises the postal address of which is specified in this order, and in respect of whom a permit has been granted to one vehicle in which they travel. For the purposes of this provision:

- (i) the vehicle to which the permit applies does not need to be owned by the permit holder, but the permit holder must be travelling in the vehicle at the time of use, either as a driver or passenger;
- (ii) the permit may only be applied to one vehicle;
- (iii) where the main place of residence of that person has ceased to be at such premises, then that permit shall no longer be valid;

(c) in respect of any other restriction or prohibition referred to in [Part II](#) of this Order to which such an exception is applicable, a person or business or organisation to whom a permit has been granted or issued by the Council excepting a specified vehicle from that prohibition or restriction imposed under the provisions of [Part II](#) of this Order at that location, such grant or issue being determined on a case-by-case basis and granted or issued wholly at the Council’s discretion, subject to such eligibility criteria or conditions of use or validity as may be set from time to time by the Council, and may be withdrawn at any time.

“permit identifier” has the same meaning as in Schedule 1 to the Traffic Signs Regulations and General Directions 2016;

“police vehicle” means a vehicle being used by or on behalf of the Metropolitan Police;

“relevant cycle gap” means in relation to an item in a schedule to this Order, the point at which the restriction specified by that item applies or, as the case may be, the point at which the restriction specified by that item begins, and at which point there is indicated by the physical layout or design of the road, or of any structure or other feature or item of street furniture or sign or road marking, a section of road allowing for the passage of pedal cycles only.

“road” includes “street”;

¹ 2011 c.5

a disabled person's badge who has satisfied the Council that their main place of residence is located at premises the postal address of which is specified in [Schedule 31](#); and

- (2) Any reference in this Order to any enactment shall be construed as a reference to that enactment as amended, applied, consolidated; re-enacted by or as having effect by virtue of any subsequent enactment.
- (3) Any reference in this Order to a numbered Article or Schedule shall, unless the context otherwise requires, be construed as a reference to the Article or Schedule bearing that number in this Order.
- (4) For the purposes of this Order a vehicle shall be regarded as displaying a disabled persons badge in the relevant position when it is displayed in accordance with the provisions of the Local Authorities Traffic Orders (Exemptions for Disabled Persons) (England) Regulations 2000.
- (5) Any reference in [Part II](#) of this Order to a road or part thereof shall, unless otherwise specified, be construed as a reference to the whole width of that road or part thereof.
- (6) The restrictions, prohibitions imposed by and provisions of this Order are in addition to and not in derogation of any restriction or prohibition imposed by or any provision of any other enactment and any exception to or exemption from the restrictions, prohibitions and provisions of this Order is without prejudice to the provisions of any other enactment.
- (7) The restrictions and prohibitions imposed by and provisions of this Order do not apply to any road or length of road which is a GLA road, except for prohibitions and/or restrictions where arrangements to do so have been formalised under an agreement under section 101 of the Local Government Act 1972^m.
- (8) Any extant restrictions, prohibitions or requirements imposed by any traffic order made under section 9, 14 or 16A of the Road Traffic Regulation Act 1984 are not included in the schedules to this Order.

PART II – PRESCRIBED ROUTES

Prohibited turns

4. (1) Except as provided in [Article 16\(1\)](#), no person causing any vehicle to proceed in a road or length thereof specified in column (2) of an item in the table in [Schedule 1](#) in the direction where specified in column (3) of that item so as to approach a junction with an adjoining road or length thereof specified in column (4) of that item, being subject to a prohibited right turn, so indicated by the aspect of a traffic sign of the type shown in Item 7 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016 shall, upon reaching said junction, cause that vehicle to turn right into that adjoining road, during the hours of operation of that prohibited turn specified in column (5) of that item.

(2) Except as provided in [Article 16\(1\)](#), no person causing any vehicle to proceed in a road or length thereof specified in column (2) of an item in the table in [Schedule 2](#) in the direction where specified in column (3) of that item so as to approach a junction with an adjoining road or length thereof specified in column (4) of that item, being subject to a prohibited left turn, so indicated by the aspect of a traffic sign of the type shown in Item 8 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016 shall, upon reaching said junction, cause that vehicle to turn left into that adjoining road, during the hours of operation of that prohibited turn specified in column (5) of that item.

(3) No person causing any vehicle to proceed in a road or length thereof specified in column (2) of an item in the table in [Schedule 3](#) in the direction specified in column (3) of that item so as to approach a point within that road or length thereof specified in column (4) of that item, being subject to a prohibited U-turn, so indicated by the aspect of a traffic sign of the type shown in Item 6 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016 shall, upon reaching said point, cause that vehicle to turn so as to face in the opposite direction to that in which it had been proceeding.

Compulsory traffic movements

5. (1) Except as provided in [Article 16\(1\)](#), every person causing any vehicle to proceed in a road or length thereof specified in column (2) of an item in the table in [Schedule 4](#) in the direction specified in column (3) of that item so as to approach a junction with an adjoining road or length thereof specified in column (4) of that item, being subject to a vehicles must proceed in the direction indicated restriction, so indicated by the aspect of a traffic sign of the type shown in Item 1 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016 shall, upon reaching said junction, cause that vehicle to continue into that adjoining road or length thereof as indicated by that sign.

(2) Except as provided in [Article 16\(1\)](#), every person causing any vehicle to proceed in a road or length thereof specified in column (2) of an item in the table in [Schedule 5](#) in the direction where specified in column (3) of that item so as to approach a junction with an adjoining road specified in column (4) of that item, being subject to a

compulsory right turn, so indicated by the aspect of a traffic sign of the type shown in Item 2 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016 indicating a compulsory right turn shall, upon reaching said junction, cause that vehicle to turn right into that adjoining road.

(3) Except as provided in [Article 16\(1\)](#), every person causing any vehicle to proceed in a road or length thereof specified in column (2) of an item in the table in [Schedule 6](#) in the direction where specified in column (3) of that item so as to approach a junction with an adjoining road specified in column (4) of that item, being subject to a compulsory left turn, so indicated by the aspect of a traffic sign of the type shown in Item 2 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016 indicating a compulsory left turn shall, upon reaching said junction, cause that vehicle to left right into that adjoining road.

One-way traffic working

6. (1) Every person causing any vehicle to enter into or proceed in a road or length thereof specified in column (2) and (3) of an item in the table in [Schedule 7](#), being subject to a one-way traffic working restriction, so indicated by the aspect of a traffic sign of the type shown in Item 5 of Schedule 9, Part 4 to the Traffic Signs Regulations and General Directions 2016 indicating a one-way traffic working restriction shall, cause that vehicle to proceed in the direction specified in column (4) of that item.

(2) Every person causing any vehicle other than a pedal cycle to enter into or proceed in a road or length thereof specified in columns (2) and (3) of an item in the table in [Schedule 8](#), being subject to a one-way traffic working restriction with contraflow traffic working for pedal cycles, so indicated by the aspect of a traffic sign of the type shown in Item 7 of Schedule 9, Part 4 to the Traffic Signs Regulations and General Directions 2016 indicating a one-way traffic working restriction with contraflow traffic working for pedal cycles shall, cause that vehicle to proceed in the direction specified in column (4) of that item.

(3) Every person causing any vehicle to enter into or proceed in a road or length thereof specified in columns (2) and (3) of an item in the table in [Schedule 9](#), being subject to a one-way traffic working restriction with a mandatory contraflow cycle lane, so indicated by the aspect of a traffic sign of the type shown in Item 6 of Schedule 9, Part 4 to the Traffic Signs Regulations and General Directions 2016 indicating a one-way traffic working restriction with a mandatory contraflow cycle lane shall, cause that vehicle to proceed in the direction specified in column (4) of that item.

Provided that nothing in the preceding paragraph shall apply to a pedal cycle entering into or proceeding in said mandatory contra-flow cycle lane.

(4) Every person causing any vehicle to enter into or proceed in a road or length thereof specified in columns (2) and (3) of an item in the table in [Schedule 10](#), being subject to a one-way traffic working restriction with a mandatory contraflow bus lane or bus and cycle lane, so indicated by the aspect of a traffic sign of the type shown in Item 8 of Schedule 9, Part 4 to the Traffic Signs Regulations and General Directions 2016 indicating a one-way traffic working restriction with a mandatory contraflow bus

lane or bus and cycle lane, as the case may be, shall, cause that vehicle to proceed in the direction specified in column (5) of that item.

Provided that nothing in the preceding paragraph shall apply to a bus, or a local bus, or a bus or pedal cycle, or a local bus or pedal cycle, as the case may be, such type of vehicle being specified in column (4) of that item and so specified by way of such traffic signs as are placed in relation to that mandatory bus lane or bus and cycle lane as being permitted to use that mandatory bus lane or bus and cycle lane, entering into or proceeding in said mandatory contra-flow bus lane or bus and cycle lane in the direction specified in column (5) of that item and indicated by way of such traffic signs as are placed in relation to that mandatory bus lane or bus and cycle lane.

No entry restrictions

7. Except as provided in [Article 16\(2\)](#), no person causing any vehicle to proceed in a road or length of road specified in column (2) of an item in the table in [Schedule 11](#) shall cause that vehicle to enter into the road or length of road specified in column (3) of that item, being subject to a no entry prohibition, so indicated by the aspect of a traffic sign of the type shown in Item 10 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016.

Prohibition of motor vehicles

8. (1) Except as provided in [Article 16\(3\)](#), no person causing any motor vehicle to proceed in a road or length of road specified in column (2) of an item in the table in [Schedule 12A](#) shall cause that motor vehicle to enter into the road or length of road specified in column (3) of that item, being subject to a no motor vehicles prohibition, so indicated by the aspect of a traffic sign of the type shown in Item 12 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that no motor vehicles prohibition specified in column (4) of that item. Where all motor vehicles are prohibited and no exemptions apply, the restriction may be indicated by the physical prevention of access through the placement of barriers, bollards, street furniture, planters or other permanent obstructions.

(2) Except as provided in [Article 16\(3\)](#), no person shall cause any motor vehicle to enter a road or length of road specified in column (2) of an item in the table in [Schedule 12B](#), being subject to a no motor vehicles prohibition, so indicated by the aspect of a traffic sign of the type shown in Item 12 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that no motor vehicles prohibition specified in column (3) of that item. Where all motor vehicles are prohibited and no exemptions apply, the restriction may be indicated by the physical prevention of access through the placement of barriers, bollards, street furniture, planters or other permanent obstructions.

Prohibition of vehicles of all classes and play streets

9. (1) Except as provided in [Article 16\(3\)](#), no person causing any vehicle, other than a non-mechanically propelled vehicle pushed by a pedestrian, to proceed in a road or length of road specified in column (2) of an item in the table in [Schedule 13A](#) shall cause that vehicle to enter into or proceed in the road or length of road specified in

column (3) of that item, being subject to a no vehicles prohibition, so indicated by way of the aspect of a traffic sign of the type shown in Item 11 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that no vehicles prohibition specified in column (4) of that item.

(2) Except as provided in [Article 16\(3\)](#), no person shall cause any motor vehicle to enter a road or length of road specified in column (2) of an item in the table in [Schedule 13B](#), being subject to a no vehicles prohibition, so indicated by the aspect of a traffic sign of the type shown in Item 11 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that no motor vehicles prohibition specified in column (3) of that item.

(3) Except as provided in [Article 16\(4\)](#) and/or [Article 16\(6\)](#), no person shall cause any vehicle, other than a non-mechanically propelled vehicle pushed by a pedestrian, to proceed in a road or length of road specified in columns (2) and (3) of an item in the table in [Schedule 14](#), being subject to a play street no vehicles prohibition, so indicated by the aspect of a traffic sign of the type shown in Item 11 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016 and a traffic sign placed in association with that traffic sign indicating that said length of road is a play street, during the hours of operation of that play street no vehicles prohibition specified in column (4) of that item.

Prohibition of certain classes of vehicle

10. (1) Except as provided in [Article 16\(3\)](#), no person causing any bus to proceed in a road or length of road specified in column (2) of an item in the table in [Schedule 15](#) shall cause that bus to enter into or proceed in the road or length of road specified in column (3) of that item, being subject to a no buses prohibition, so indicated by the aspect of a traffic sign of the type shown in Item 17 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that no buses prohibition specified in column (4) of that item.

(2) Except as provided in [Article 16\(3\)](#), no person causing any motor vehicle other than a solo motor cycle to proceed in a road or length of road specified in column (2) of an item in the table in [Schedule 16](#) shall cause that motor vehicle other than a solo motor cycle to enter into or proceed in the road or length of road specified in column (3) of that item, being subject to a no motor vehicles other than solo motor cycles prohibition, so indicated by the aspect of a traffic sign of the type shown in Item 18 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that no motor vehicles other than solo motor cycles prohibition specified in column (4) of that item.

(3) Except as provided in [Article 16\(3\)](#), no person causing any solo motor cycle to proceed in a road or length of road specified in column (2) of an item in the table in [Schedule 17](#) shall cause that solo motor cycle to enter into or proceed in the road or length of road specified in column (3) of that item, being subject to a no solo motor cycles prohibition, so indicated by the aspect of a traffic sign of the type shown in Item 20 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that no solo motor cycles prohibition specified in column (4) of that item.

Pedestrian zones and pedestrian and cycle zones

11. (1) Except as provided in [Article 16\(3\)](#), no person shall cause any vehicle to enter into or proceed in a road or length of road specified in column (2) of an item in the table in [Schedule 18](#), being a pedestrian zone, so indicated by the aspect of a traffic sign of the type shown in Item 1 of Schedule 8, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that pedestrian and cycle zone specified in column (3) of that item. Where all motor vehicles are prohibited and no exemptions apply, the restriction may be indicated by the physical prevention of access through the placement of barriers, bollards, street furniture, planters or other permanent obstructions.

(2) Except as provided in [Article 16\(3\)](#), no person shall cause any motor vehicle to enter into or proceed in a road or length of road specified in column (2) of an item in the table in [Schedule 19](#), being a pedestrian and cycle zone, so indicated by the aspect of a traffic sign of the type shown in Item 2 of Schedule 8, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that pedestrian and cycle zone specified in column (3) of that item. Where all motor vehicles are prohibited and no exemptions apply, the restriction may be indicated by the physical prevention of access through the placement of barriers, bollards, street furniture, planters or other permanent obstructions.

Height restrictions

12. No person shall cause any vehicle having a height in excess of that indicated to proceed in a road or length of road specified in columns (2) and (3) of an item in the table in [Schedule 20](#), being a road or part thereof subject to a height restriction, so indicated by the aspect of a traffic sign of the type shown in Item 27 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016.

Length restrictions

13. Except as provided in [Article 16\(3\)](#), no person shall cause any vehicle having a length or combined length, as the case may be, in excess of that indicated to proceed in a road or length of road specified in column (2) of an item in the table in [Schedule 21](#) shall cause that vehicle or combination of vehicles, being a road or part thereof subject to a length restriction, so indicated by the aspect of a traffic sign of the type shown in Item 25 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that length restriction specified in column (3) of that item.

Weight restrictions

14. (1) Except as provided in [Article 16\(3\)](#), no person shall cause any goods vehicle having a maximum gross weight in excess of that indicated to proceed in a road or length of road specified in columns (2) and (3) of an item in the table in [Schedule 22](#), being a road or part thereof subject to a good vehicles weight restriction, so indicated by the aspect of a traffic sign of the type shown in Item 13 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that good vehicles weight restriction specified in column (4) of that item.

(2) Except as provided in [Article 16\(5\)](#), no person shall cause any vehicle having a maximum gross weight in excess of that indicated to proceed in a road or length of road specified in columns (2) and (3) of an item in the table in [Schedule 23](#), being subject to a 'weak bridge' or 'weak road' weight restriction, so indicated by the aspect of a traffic sign of the type shown in Item 2 of Schedule 9, Part 4 to the Traffic Signs Regulations and General Directions 2016.

Width restrictions

15. (1) Except as provided in [Article 16\(3\)](#) no person shall cause any vehicle having a width in excess of that indicated to proceed in a road or length of road specified in columns (2) and (3) of an item in the table in [Schedule 24A](#), being a road or part thereof subject to a width restriction, so indicated by the aspect of a traffic sign of the type shown in Item 26 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that width restriction specified in column (4) of that item.

(2) Except as provided in [Article 16\(3\)](#) no person shall cause any vehicle having a width in excess of that indicated to proceed in a road or length of road specified in columns (2) and (3) of an item in the table in [Schedule 24B](#), being a road or part thereof subject to a width restriction, so indicated by the aspect of a traffic sign of the type shown in Item 26 of Schedule 3, Part 2 to the Traffic Signs Regulations and General Directions 2016, during the hours of operation of that width restriction specified in column (4) of that item.

Exceptions to and exemptions from restrictions in Part II

16. (1) Where exception to a restriction or prohibition referred to in either [Article 4\(1\)](#), [Article 4\(2\)](#), [Article 5\(1\)](#), [Article 5\(2\)](#) or [Article 5\(3\)](#), as the case may be, is specified in either column (6) of an item in Schedule [1](#) or [2](#) or column (5) of an item in Schedule [4](#), [5](#) or [6](#), and indicated by way of a traffic sign placed in association with the traffic sign indicating said restriction or prohibition, is provided in respect of specified vehicles, being either:-

- (a) buses or local buses; or
- (b) taxis; or
- (c) pedal cycles; or
- (d) authorised vehicles;

or a combination thereof, or in relation to an exception indicated by a traffic sign specifically authorised by the Secretary of State for Transport under section 64 of the Road Traffic Regulation Act 1984, said restriction or prohibition shall not apply to the vehicles so specified.

(2) Where exception to a prohibition referred to in [Article 7](#) is specified in column (4) of an item in [Schedule 11](#) and indicated by way of a traffic sign placed in association with the traffic sign indicating said prohibition, is provided in respect of specified vehicles, being either:-

- (a) buses or local buses; or
- (b) pedal cycles; or
- (c) buses and pedal cycles; or
- (d) local buses and pedal cycles;

said prohibition shall not apply to the vehicles so specified.

(3) Where exception to a restriction or prohibition referred to in either [Article 8\(1\)](#), [Article 8\(2\)](#), [Article 9\(1\)](#), [Article 9\(2\)](#), [Article 10\(1\)](#), [Article 10\(2\)](#), [Article 10\(3\)](#), [Article 11\(1\)](#), [Article 11\(2\)](#), [Article 13](#), [Article 14\(1\)](#), [Article 15\(1\)](#) or [Article 15\(2\)](#), as the case may be, is specified in column (5) of an item in Schedule [12A](#), [13A](#), [15](#), [16](#), [17](#) or [19](#) column (4) of an item in Schedule [12B](#), [13B](#), [18](#) or [21](#) or column (6) of an item in [Schedule 24A](#) or [Schedule 24B](#) and indicated by way of the traffic sign indicating said restriction or prohibition or a traffic sign placed in association with that traffic sign, is provided in respect of specified vehicles, being either:-

- (a) authorised vehicles; or
- (b) buses or local buses; or
- (c) taxis; or
- (d) disabled persons vehicles; or
- (e) permit holders' vehicles, provided that where a permit identifier is identified on or in relation to that permit, said permit identifier is the same as that indicated by way of a permit identifier on a relevant traffic sign relating to that restriction or prohibition; or
- (f) vehicles requiring access to premises located within the length of road subject to said restriction or prohibition or to premises only accessible therefrom, or vehicles or goods vehicles requiring access for the purpose of loading and unloading at premises located within the length of road subject to said restriction or prohibition or at premises only accessible therefrom, and where there is no other route; or

a combination thereof, said restriction or prohibition shall not apply to the vehicles so specified.

(4) The prohibitions and restrictions specified in Articles [4](#), [5](#), [8](#), [9](#), [10](#), [11](#), [12](#), [13](#), [14](#) and [15](#) do not apply:-

- (a) in respect of any vehicle being used for ambulance, fire brigade or police purposes; or
- (b) in respect of any person who causes any vehicle to proceed in accordance with any restriction or requirement indicated by traffic signs placed on the highway pursuant to section 66 or section 67 of the Road Traffic Regulation Act 1984; or
- (c) in respect of anything done with the permission or at the direction of a police constable in uniform; or
- (d) in respect of anything done with the written permission of the Council, provided that any conditions or requirements imposed are being complied with.

Provided that the physical layout or design of the road, or of any structure or other feature or item of street furniture located in relation to that road, allows for such usage or passage of vehicles or such action without danger to other road users, or to the fabric of the road or such surrounding structures or features.

(5) The prohibitions and restrictions specified in Articles [8](#), [9](#), [10](#), [11\(1\)](#) and [14](#) do not apply in respect of a vehicle entering into or proceeding in a length of road if it is being used to carry out one of the following:

- (a) for the purpose of collecting refuse; or
- (b) in connection with the removal of any obstruction to traffic, provided that access to said length of road can only be made via said prohibition or restriction; or
- (c) in connection with the maintenance, improvement or reconstruction of any road, provided that access to said length of road can only be made via said prohibition or restriction; or
- (d) in connection with the maintenance, improvement or construction of any street furniture including bus stop infrastructure, provided that access to said length of road can only be made via said prohibition or restriction; or
- (e) in connection with any building operation or demolition, provided that access to said length of road can only be made via said prohibition or restriction; or
- (f) in connection with the laying, erection, alteration or repair of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity, or of any electronic communications network, provided that access can only be made via said prohibition or restriction; or
- (g) in the service of a local authority in pursuance of statutory powers or duties, provided that in all circumstances it is reasonably necessary in the exercise of such powers or in the performance of such duties for that vehicle to pass or enter the motor vehicle prohibition points; or
- (h) as an Accessible Community Transport vehicle, provided that in all circumstances it is reasonably necessary for that vehicle to pass or enter the motor vehicle prohibition points in order to access a particular property.

Provided that the physical layout or design of the road, or of any structure or other feature or item of street furniture located in relation to that road, allows for such usage or passage of vehicles or such action without danger to other road users, or to the fabric of the road or such surrounding structures or features.

(6) The prohibitions and restrictions specified in [Article 9\(3\)](#) do not apply in respect of a vehicle entering or proceeding into a length of road in order to gain reasonable access to premises situated on or adjacent to the length of road subject to said prohibition or restriction.

(7) The prohibitions and restrictions specified in [Article 15\(2\)](#) do not apply in respect of a local bus service, school bus or a coach.

(8) The prohibitions and restrictions specified [Article 8](#) shall not apply to a nominated vehicle while it is being used to transport the holder of an individual exemption, in any case where the exception listed in column 5 of an item in Schedule 12A, or column 4 of an item in Schedule 12B, refers to a holder of an “AMW”, “CBE”, “CBW”, “CGR”, “SMC”, “STP” or “XM7” permit.

PART III – CONTRAVENTION

Contravention of this Order

17. Where a vehicle fails to comply with the provisions of Part II of this Order, then a contravention of, or failure to comply with, the provisions of this Order shall be deemed to have occurred.
