Choosing a place for your child – hints and tips

- Ask other parents for recommendations
- Try to visit two or three different settings to compare what's on offer
- Think about your child's personality and interests – what kind of environment will they prefer? For example, childminders offer a home-based environment
- Talk to the staff at the setting and tell them if you have any questions or worries
- Check that the days and hours that the setting can offer are suitable for you and your child. Childminders may be able to offer more flexible hours

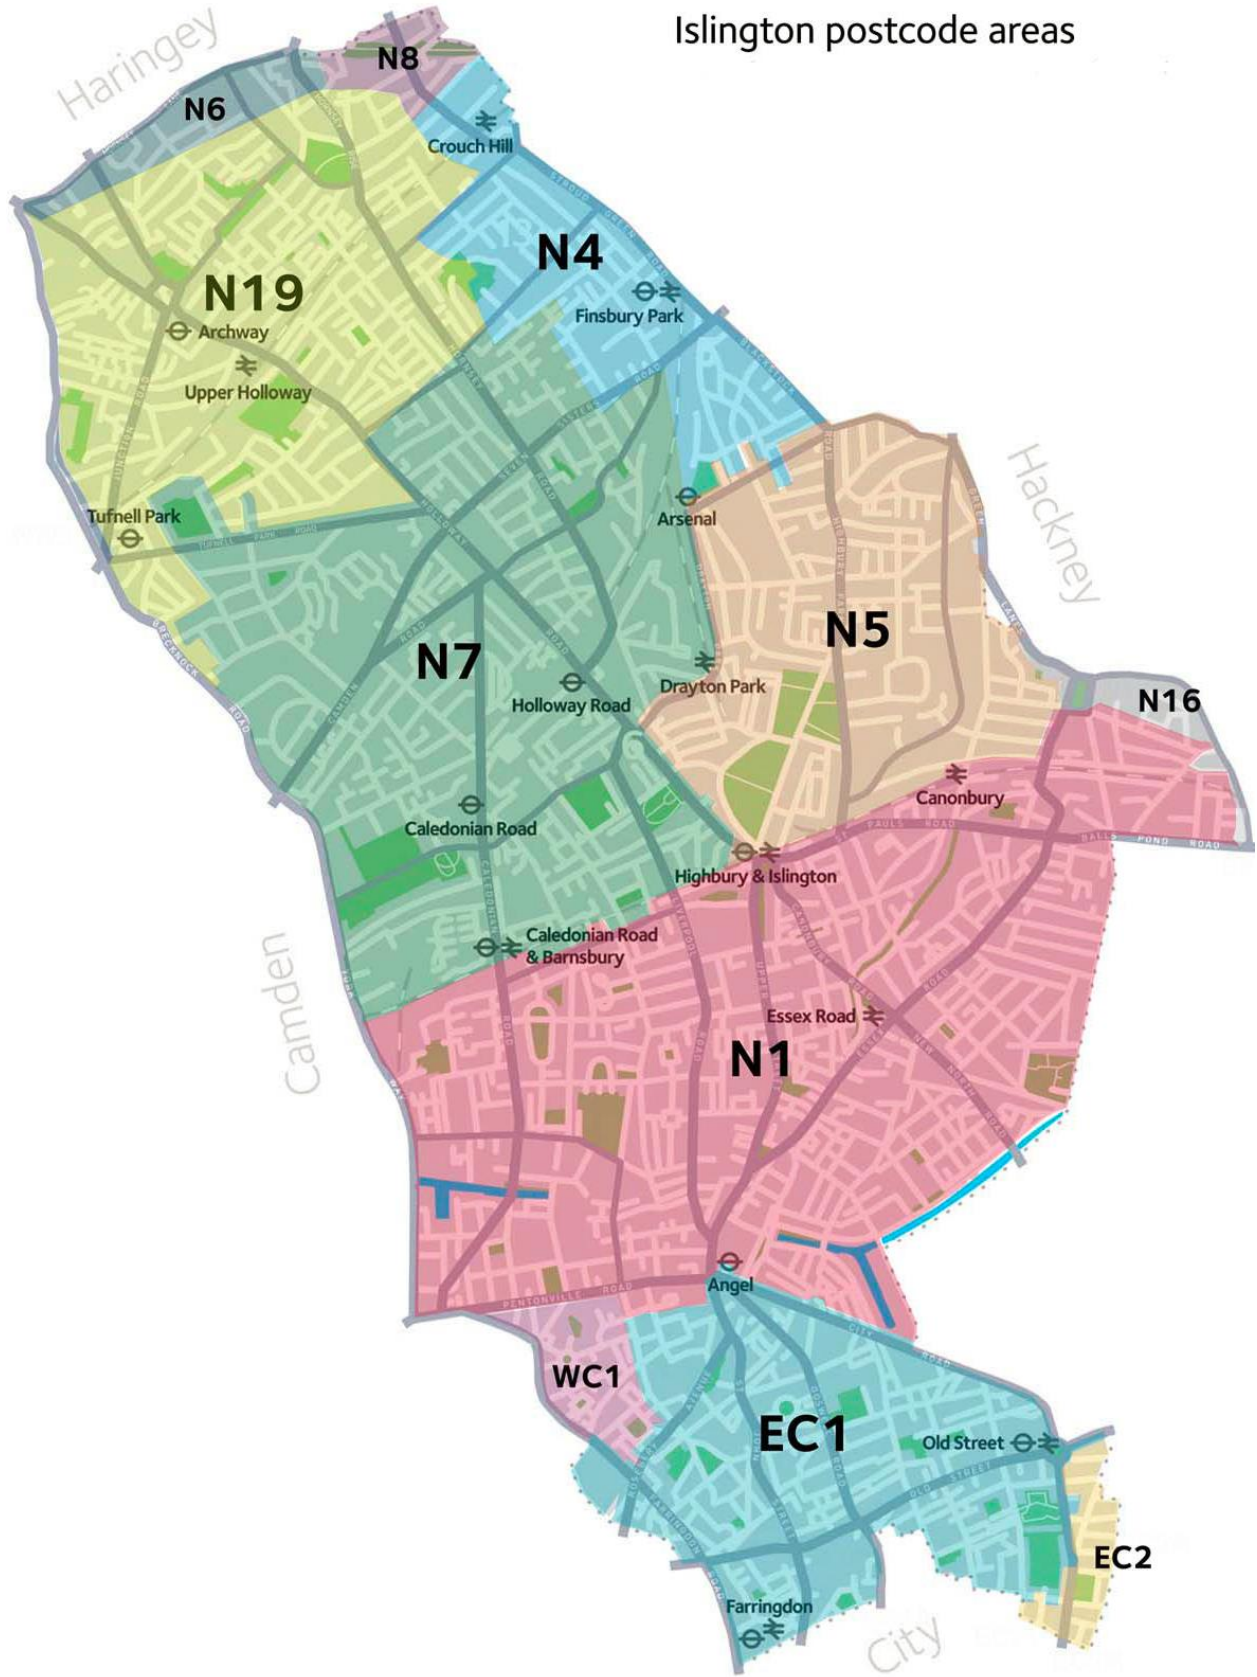

If you need any information, help or advice about applying for a place for your child, contact the Family Information Service on **020 7527 5959** or email fis@islington.gov.uk.

Please be aware that you may not get a place at your first choice of setting. It is a good idea to apply to more than one setting. You can apply to as many places as you like.
