In the event of there being more applications than places available, places will be allocated in the following order of priority:

1. Looked After Children or previously looked after [see note a].
2. Children with siblings who are already on roll at the City of London Academy Highgate Hill and will still be on roll at their date of entry [see note b]

4. Children living nearest to the Academy as measured by a straight line from the child's home to the centre of the school grounds [see note d]

Notes

- a. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Also children who were previously looked after children who were looked after but ceased to be so because they were adopted (or became subject to a Child Arrangements Order or special guardianship order)
- b. Sibling includes full, half, step, foster and adopted brother or sister living in the same family unit and at the same home address as the child. Siblings at the same address who will still be attending the school in September 2018. Siblings who attend the City of London Academy Islington (Secondary), or City of London Primary Academy Islington, will not be treated as a sibling.
- c. Supporting evidence from a suitable professional to substantiate that the child has a medical, social or psychological need must be provided at the time of application. The evidence must be in a written format and should set out the reasons why, in their view, City of London Academy Highgate Hill is the most suitable and the difficulties that would be caused if the child had to attend another school.
This evidence must be current and either from the child's registered general practitioner or any other suitably qualified professional that the child has been referred to and/or who is providing direct care / support / treatment to the child on an ongoing basis in their professional capacity e.g. a child or educational psychologist, a child psychiatrist, an orthopaedic consultant or a social worker.
- d. Distance from the City of London Academy Highgate Hill will be determined from the centre of the school grounds. . Nearness to schools is measured on a computerised mapping system using a straight line distance measurement. Routes will be calculated from the home address (as defined by the Land and Property Gazetteer) to the midpoint of the school grounds (as determined by the London Borough of Islington). If a child lives in a block of flats where a communal entrance is used, the centroid for the block and not the individual flat is used for calculation purposes.
- e. Tie break – Distance will be used as a tiebreaker for criteria 1, 2 and 3. If only one place is available and two or more children qualify for that place, the child who is offered the place will be determined by independent random allocation using Islington LA's computerised system.
- f. Multiple births – if only one place is available at the school and the next child who qualifies for a place is one of multiple birth siblings, the Academy will admit all of the other multiple birth siblings as 'excepted pupils' by going over their published admission number.

Late Applications

All applications received by the Islington Council after the deadline will be considered to be late applications. Late applications will be considered after those received on time.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. When such a request is made, the Academy Trust will make a decision on the basis of the circumstances of the case

and in the best interests of the child concerned, taking into account the views of the HeadTeacher and any supporting evidence provided by the parent and will set out clearly the reasons for their decision.

Proof of Address

Islington LA, as part of the pan-London co-ordination group takes responsibility for verifying eligibility to apply for a school place.

Shared parental responsibility – If both parents live separately but the child lives equally with both, then it is the parents' responsibility to make this clear at the time of the application and to provide supporting evidence in respect of both addresses, for example, a Child Arrangements Orders from a court. Only one address can be used for school admission purposes and the final decision will rest with Islington LA.
