

Islington Community MARAC

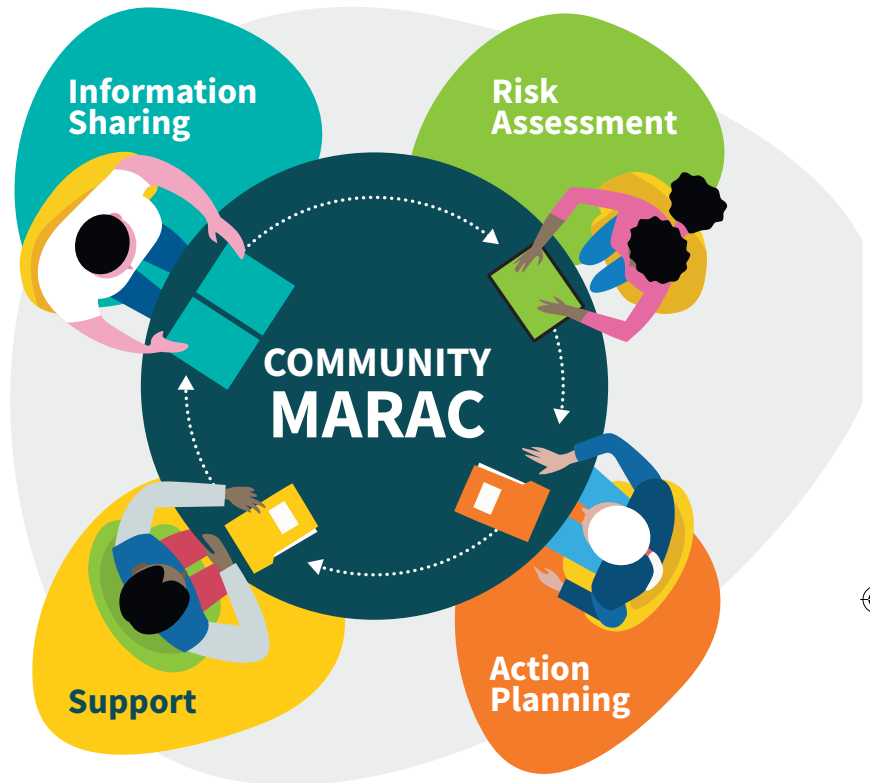

What is this?

Islington Community MARAC (Multi Agency Risk Assessment Conference) is a meeting where information can be shared about the highest risk and most complicated cases of anti-social behaviour in order to work out an action plan to improve the safety of the people involved.

Organisations involved include:

- Community Safety
- Police
- Mental Health Support Services
- London Fire Brigade
- Housing Providers and Floating Support
- Victim Support and other specialists, such as PBMH, Better Lives, SHP

How does the process work?

Why should I refer?
