Why you need a licence

The aim of licensing is to balance the needs of businesses and residents with the public expectation of an unobstructed footway.

Wilful obstruction of the public highway is an offence (s137, Highways Act 1980). Recent legislation changes now allow the Council to issue a FPN (Fixed Penalty Notice) to persons deemed to be responsible for such obstructions. The current level of fine is £100, £50 if paid within 28 days of issue.

In accordance with the Highways Act 1980, we MAY grant permission for the use of Tables and Chairs on the highway.

A Tables & Chairs licence allows you to place furniture on the highway.

An A-Board licence allows you to place furniture on the highway, **with the exception of Red Routes** where the placing of A Boards on the public highway **is not permitted**

The relevant legislation regarding pavement licensing is the Highways Act 1980 (chapter 66) which can be viewed on the government's legislation website. The part of the Act relevant to tables and chairs licences is Part VII. Other relevant legislation is also referred to in the guidelines below.

Tables and Chairs and A-Boards are not permitted to be placed on the highway until a licence has been agreed and issued.

Application Process

Applications must be submitted at least **eight weeks** in advance of a licence being granted, and does not automatically grant permission.

Your application must include:

1. Application form fully completed – see page 7
2. Declaration and agreement form – see page 8
3. Payment of licence fee for the relevant band in which your street falls within – see page 4
4. Proof that you have public Liability Insurance of up to 5 million pounds
5. Photo or illustration of the type of tables and chairs proposed to use

Scaled plans which shows the area of footway to which the application relates; all dimensions of the front of the premises including dimensions of opening doors and adjacent buildings, location of all posts, columns and trees to show the full width of the footway and an indication of which the tables and chairs to be placed. A licence will not be approved unless there is a **minimum** of 2 metres of unobstructed pavement remaining between your furniture and any other obstruction.

6. Failure to enclose the correct documentation could delay the application process.

Use of Barriers/Planters

The council may insist on the use of barriers in some cases where containment of furniture is of concern. The look of these barriers must not detract from the look of the building or any other street furniture or infringe any advertising regulations. The use of planters as barriers may be approved on application. All furniture must be included in the measurements provided.

Premises that sell or serve alcohol

We ensure that tables and chairs licence applications for premises that sell alcohol are consistent with any other on/off sales licences. Before completing the tables and chairs application form you should contact us on Tel: 020 7527 3394 with any details of present or planned licence applications

On receipt of your application your case will be assigned to a licensing officer who will:

- arrange a site visit in order to assess the footway
- advise and guide you through the process
- (may) request for inspection your storage facilities to agree they are practical and adequate for storage of furniture outside of licensed hours.
- consult with relevant stakeholders ***(new applications only)***
- report your application to the Street Trading Officers Panel (Panel) with an appropriate recommendation based on all the findings and representations ***(new applications only)***

Consultation Period

Before a **new** tables and Chairs application is granted all applications are subject to a 28 period of consultation. Public notices will be displayed in the neighbouring area setting out the intentions. Members of the public, highway authorities and other council officers will be given the opportunity to comment. The application, together with representations are then referred to the Panel.

Panel Decisions

The Panel will duly consider each application and either:

- Grant consent
- Grant consent with added conditions or amendments
- Refuse to consent

Before the panel makes a decision they will consider all comments and any objections to ensure a balanced outcome is determined.

There is no given right for any business to occupy a public pavement. If consent has been refused or you are not happy with a condition imposed on a licence granted, there is no statutory right of appeal under the Highways Act 1980 the Panel's decision will therefore be final. A licence cannot be approved unless there is a minimum of 2 metres of unobstructed pavement remaining between your furniture and any other obstruction.

It should not be assumed that all renewals will be granted. Complaints, changes in footfall, additional street furniture and general changes in the area will be considered. Whilst the council will try to oblige with a variation this may not always be possible.

Complaints Procedure:

If are unhappy about the way your application has been handled and not satisfied with final resolutions; you may wish to make a complaint to the council. If this is the case see www.islington.gov.uk/complaints or write to: Central Complaints, 7 Newington Barrow Way, London N7 7EP or telephone Contact Islington on 020 7527 2000.

CONDITIONS OF LICENCE

1. In accordance with the Highways Act 1980, we MAY grant permission for the use of Tables & Chairs (furniture) on the highway
2. The signatory of this application (Licensee) is the person accepting responsibility for the compliance of all conditions and regulations associated with the furniture placed on the highway as per the licence.
3. The licence will become invalid and permissions will terminate if any of the conditions are not adhered to, the licensee no longer has an interest in the project or the licence was granted for a special event; under these circumstances no fees will be refunded.
4. The licence does not relieve the licensee from compliance with any other legislation enforced by the Council or other Agencies, e.g. Environmental Health, Health and Safety, Food Safety, Trading Standards, Fire Prevention, Waste Management and Highways Regulations. Application must be made to the licensing authority for any alteration or extension to a licence to sell intoxicating drink.
5. The permission shall run from the date of issue, for a period of one year.
6. Any disturbance or damage to utility plant will be the responsibility of the licensee.
7. The licence granted will be exercised in such a manner as not to cause a nuisance, disturbance or danger to the occupiers of adjoining property or the users of the highway.
8. The highway will at all times be kept in a neat and tidy condition and free from obstructions.
9. The council is indemnified against all claims resulting from an incident caused by the furniture on this licence. All applicants must have public liability insurance of £5 million to validate their occupancy of the public highway. Failure to have insurance would result in your licence becoming invalid.
10. The amount of furniture and position shall be specified and agreed before a licence is issued.
11. The permission is valid only between the specified hours. No licence will be granted after 11 p.m. and all furniture on the highway will be stored away at given time on the licence unless agreed otherwise by the council.
12. The area permitted for tables and chairs is to be used solely for the purpose of consuming refreshments.
13. Ashtrays should be portable and windproof and frequently emptied into appropriate bins.
14. The tables are to be regularly cleared of glasses, plates, ashtrays, etc. and the surrounding area to be swept clear of litter, food and smoking deposits etc. Receptacles must be provided at the tables to allow for the smoking debris to be extinguished. Waste deposited on the Highway must be removed each day at the Licensee's expense or at more frequent intervals as may be required by the Council under the Environmental Protection Act 1990.
15. A licence issued does not permit the use of the tables to be used solely for smoking
16. The licence does not give permission to serve alcohol unless your premises licence states that you have on/off sales.
17. No charge shall be made by the Licensee for the use of the Tables and Chairs.
18. The licensee shall make no claim against the Council in the event of the A-board and Tables & Chairs or other objects being lost, stolen or damaged in any way from whatever cause.
19. The Licensee shall remove the furniture from the highway to allow the highway to be cleaned or maintained or allow access to works by the Council its partners or agents. Licensees must also ensure access if required to do so by the Council, the Police, fire, ambulance services, statutory undertaker, telecommunications operators, service vehicles, hearses and furniture removal vans and access to premises.
20. The furniture is not to be permanently fixed to the highway.
21. The furniture shall not interfere with or affect the rights of any statutory undertakers having apparatus in the highway.
22. This licence does not include the licensing of parasols, heaters, planters, A Boards, canopies and awnings if you need to apply for a canopy application you need to contact planning on 0207 527 2813 or email planning@islington.gov.uk
23. There are to be no permanent fences or other means of enclosure of the area unless agreed by the Council.
24. Storage facilities maybe subject to inspection and must be practical and adequate for the storage of furniture outside of licensed hours.
25. Any conditions that are required in your premises licence must apply to your Tables & Chairs licence.
26. **All licences issued MUST be displayed on site.**
27. You are reminded that wilful obstruction of the public highway is an offence (s137, Highways Act 1980). Recent legislation changes now allow the Council to issue a FPN (Fixed Penalty Notice) to persons deemed to be responsible for such obstructions. The current level of fine is £100, £50 if paid within 28 days of issue.

Conditions specific to A Boards

28. The type of board used is of an agreed type with the council. No decision will be made until an inspection. Any changes to the A-Board type must be agreed by the Council.
29. The A-board must be of a construction that will cause minimal damage if there is a collision. There must be no sharp edges or protruding parts.
30. The board must be of the "feet" type where the base is the widest part of the board. If a central stem type is used, a lower tapping rail is required to prevent hazard to visually impaired footway users
31. The board must be of sufficient contrast to its surrounding area
32. The board is located in a suitable and agreed position
33. The board does not contain any material or information that would prejudice the council or break any current legislation
34. The board must be positioned by the premises and a minimum of 2 meters of footway remains along the line of the board between the edge of the object and either the kerb or other highway boundary, allowing safe passage for all highway users
35. The board must be no larger than W x H x D – 46.5cm x 94cm x 68cm
