We are obliged by legislation to consult interested parties and give members of the public and other council officers the opportunity to comment.

The Town and Country Planning Act, or any other Acts, Regulations, other by laws and General Statutory provisions in the area and shall not be regarded as dispensing with such compliance. Application must be made to the licensing authority for any alteration or extension to a licence to sell intoxicating drink.

Any disturbance or damage to utility plant will be the responsibility of the licensee.

The council is indemnified against all claims resulting from an incident caused by the A-Boards and Tables & Chairs. All applicants must have public liability insurance of £3 million to validate their occupancy of the public highway. Failure to have insurance would result in your licence becoming invalid.

All licences issued MUST be displayed on site.

The permission shall run from the date of issue for a period of one year.

The permission will terminate earlier if any of the conditions are not adhered to, the licensee no longer has an interest in the property, or the licence was granted for a special event, under these circumstances no fees will be refunded.

Recent legislation changes now allow the Council to issue a FPN (Fixed Penalty Notice) to persons deemed to be responsible for such obstructions. The current level of fine is £100, £50 if paid within 28 days of issue.
