

We can beat coronavirus together

- ✓ Covid-19 vaccines have been tested and are safe.
- ✓ Getting vaccinated is the best way to protect yourself, your loved ones and your community.
- ✓ You will be contacted when it is your turn – please don't call your GP.
- ✓ If you have your invitation but need help sorting out your vaccination appointment call **We are Islington** on **020 7527 8222** or email **weareislington@islington.gov.uk**
