ISLINGTON

How our Homework Clubs can help you to help your child

Homework help

Your local library runs a free drop-in homework club during term time, with staff on hand to help your child with their studies. While we can't tutor children, we can give encouragement and help them to become more self-reliant at completing their homework.

Help with reading

We will set aside a time to listen to your child reading as we know that this encourages them to enjoy books and improve their skills. You can bring in your own book or chose one of ours.

Help for parents and carers

Our Homework Club staff are happy to talk to you about your child's homework and give you ideas on how you can help them, such as study tips and homework

websites, but please speak to your child's teacher for advice on how your child is progressing at school.

How to use the Homework Clubs

Homework clubs run during term-time only.

You can drop-in without booking – but best to get there early as our reading sessions may be timed and availability is limited.

Children under 8 must be accompanied by a parent or carer and all children under 16 will need parental/carers permission to use the Internet.
