Application Type: Full Planning Application

Application No.: P2017/4174

Proposal: The works to be undertaken are as follows: - the partial demolition of the inner leaf wall for the length of the internal courtyard. - the insertion of a gate into the historical rear wall located at the point of the existing bricked up doorway to the interior courtyard. The new gate can provide an alternative means of escape from the building. - The internal courtyard immediate to the new door is to be dropped in level to match the level of the communal garden. Steps are to be added within the private courtyard to access this new level. - Repair and upgrades to wall and landscaping where required. The design proposal removes the overbearing and poorly rendered modern internal wall and opens up the building to the courtyard gardens. This is an enhancement to the setting of the listed building. The new gate and associated landscaping have been designed to sensitively integrate with the existing historical fabric. The new wooden plank gate has been carefully inserted into the wall and designed to match similar gates in the courtyard. The painted finish proposed is intended to match the existing 'false' door. The proposed gate is to be formed in the location of the

LIST OF PLANNING APPLICATIONS -

Start Date: 17/10/2017

End Date: 24/10/2017

Ward: Highbury East

Application Type: Full Planning Application

Application No.: P2017/4191

Proposal: I am replacing two sash windows in the front of the property (first floor) because the existing ones are too old and rotting - therefore damaging the structure of the house (which is made of wood) since water is filtering through. I am replacing like for like (wood windows, same shape, dimensions, etc) but the new ones will be doubled glazed. After discussing with the council, I was advised to submit an application on the grounds that shifting from single to double glazing was not, strictly speaking, like for like. However it will fit into a box of the same dimensions (I believe). See surveyors' documents attached with drawings and dimensions.
