Ward: St. Georges

Application Type: Full Planning (Householder)

Application No.: P2018/4055

Proposal: Two separate iron security gates, with keypads, to be erected in the passageways to either side of the house. The gates need to be installed for security reasons, as there have been 2 break-ins in the past 12 months, with thieves accessing the back of the building via the 2 passage ways on either side. The gates are therefore needed for security purposes.
