Start Date: 23/04/2019 **End Date:** 30/04/2019

Ward: St. Georges
Application Type: Full Planning Application

Application No.: P2019/1228

Proposal: Change of Use to a business premises. The site was a former sui generis Launderette that has been vacant for an extended period of time. We wish to change the use to D1. We're looking to create an entirely new type of business that does not yet exist in the marketplace and this site would be the proof-of-concept trial. The business, "Premium Health" would provide supportive healthcare to the local community as well as having a small retail element. The business would look and operate very similar to a physiotherapist in terms of opening hours and number of users. The difference is where a physiotherapist deals with mobility issues, Premium Health would offer support to ailments such as high blood-pressure, or managing type-II diabetes, weight-loss for surgery, etc. It's focus is on helping people manage and overcome health challenges. There will be no structural changes to the site.

Proposal: It is proposed to remove the glazing to three windows on the first floor front elevation and install three galvanised steel acoustic louvres. The centre opening portion of the window will be removed and replaced with the louvre as per the submitted drawing and photos. The louvres will be powder coated to match the windows frames and louvres on the same elevation.
