

People-Friendly Streets
Better places for everyone

St Peter's people-friendly streets trial

Consultation now open

Tell us what you think of the recent changes to the traffic filters in your area which were introduced in July 2020. The traffic filters works to stop traffic cutting through the area and improve air quality. You'll find out more at www.islington.gov.uk/peoplefriendlystreets/stpeters

**Have your say between Monday 13 September 2021
and Monday 11 October 2021**
