## **Andover Community Centre**

Although Andover Community Centre take precautions to safeguard the hygiene and quality of donated items, we may not be able to verify all items.

Although the risk of contamination from food items and packaging is low it is not zero.

All users of the food project take food at their own risk, and items should be checked, washed, and sanitised as appropriate.

- Please check use by dates
- Wash fruit and vegetables
- Sanitise packaging as appropriate
- Check items for allergens if relevant
- Do not freeze meats or ready meals, as these may have already been frozen

Andover Community Centre is not liable for any harm caused.
