

Job description

Post title: Partnership Director, Fairer Together

Grade: CO1

Service area: Chief Executive

Reports to: Chief Executive

Your team: Director of Community Wellbeing, Director of Integrated Strategic Investment /Commissioning Unit, Assistant Director Customer Experience, Head of Fairness & Equality

Our ambition

We're determined to make Islington fairer. To create a place where everyone, whatever their background, has the opportunity to reach their potential and enjoy a good quality of life.

We also have an ambitious goal – to be the best council in the country – with every employee clear about the part they play and inspired, focused and supported to give their very best.

We want to build an organisation where employees feel valued, inspired and empowered to help us achieve our goals and provide the best services possible to our residents.

Our values and behaviours

'Be Islington' is about setting a clear challenge about what it means to be an Islington employee and sets the standard for every new recruit.

We ask our employees to 'Be Islington' – playing their part in working together for a fairer borough and to always be collaborative, be ambitious, be resourceful, and be empowering ('CARE').

Our commitment to challenging inequality

We are committed to tackling inequality, racism and injustice and creating a fairer borough for all. In order to do this, we need to set the example by being a fair employer and creating a workplace environment, which is free from discrimination, racism and inequality. Our approach needs to be proactive, consistently learning to create a fairer workplace and foster a culture, which empowers all staff to challenge inequality.

Fairness is at the heart of what we do. We want to celebrate and embrace our differences by:

- Ensuring our workforce is representative of the people we work on behalf of, our residents
- Creating equitable working environments and diverse teams
- Understanding our residents in order to design and deliver services that help tackle inequality and improve life chances for our residents
- Getting to know people and their differences
- Interpreting issues and concerns from a cultural perspective and address situations or problems from the points-of-view of multiple cultures
- Supporting people with long-term health conditions and/or disabilities

- Recognising the value of flexible working to support staff where possible

Key responsibilities

This new and innovative role will take responsibility for leading the work of the Fairer Together Borough Partnership to tackle inequality and make Islington fairer

The post holder will work closely with the Leader of the Council, Executive, the Chief Executive, the Corporate Director for People and colleagues across the system to develop a new blueprint for public service delivery, setting the ambition, defining the values, and developing and implementing a comprehensive strategy for aligning resources and integrating services across the council and the wider partnership in support of the ambition to develop a world class approach to early intervention and prevention that transforms experiences and outcomes for residents

In pursuit of this ambition, the post holder will take leadership of key areas of integrated strategy and delivery including challenging inequality, integrated strategic commissioning, the new integrated Community Wellbeing Service and customer services (the We Are Islington model) as a beacon for change across the wider system.

Specific responsibilities

1. Take strategic leadership for the Council's work to challenge inequality, racism and injustice.
2. Lead the design and delivery of the Challenging Inequality Programme, working with members, senior leaders, staff and the wider community to identify clear priorities and to deliver tangible change.
3. Take responsibility for continually searching out and sharing best practice in challenging inequality for marginalised groups, across both the Council and the wider partnership.
4. Take overall responsibility for the design, implementation and delivery of an all-age integrated early help/community wellbeing service that draws on best practice to take a strengths-based approach to meeting the needs of individuals and families in Islington.
5. Ensure the development of an effective early intervention and prevention offer for vulnerable adults in the borough through clear and coherent social prescribing pathways.
6. Drive continued provision of a high quality early intervention and prevention offer to children building on the success of Bright Start and the Troubled Families programme.
7. Ensure partners make a meaningful contribution to the development of an integrated offer that improves experiences and outcomes for vulnerable people.
8. Lead the development of an integrated approach to strategic commissioning and investment across the Fairer Together Partnership in line with the new statutory framework for Integrated Care Systems.
9. Take strategic responsibility for the Council's relationship with the NHS as part of the developing Integrated Care System.
10. Produce a strategic commissioning and investment plan that sets out clear priorities for helping local people to Start Well, Live Well and Age Well.

11. Develop and implement a change programme that enables commissioning staff and functions across partner organisations to deliver the strategic commissioning and investment plan, exploring and exploiting all opportunities for closer alignment of staff and systems, joint work and system savings.
12. Take a leadership role for partnership governance in line with the statutory framework, including the Fairer Together Borough Partnership.
13. Be accountable for pooled budgets across the health and social care partnership, ensuring clear and robust financial frameworks are in place for Section 75 agreements with appropriate partner financial oversight.
14. Support all partners to commission services in an integrated way, in line with the strategic commissioning and investment plan, ensuring positive outcomes for residents, best use of resource and maximising social value across the borough.
15. Foster a new stronger relationship with the community including the voluntary and community sector, building capacity and promoting new ways of working.
16. Oversee design and provision of Council grants programmes to the voluntary and community sector that support the delivery of mutually agreed priorities and empower the community to take the lead as equal partners.
17. Encourage greater resident focus across the Council through ensuring effective community engagement and participation models are developed and adopted across all Directorates.
18. Lead the transformation of customer experience across the Council, including through a new digital experience or channel strategy working closely with colleagues in Digital and Communications Services.
19. Lead the delivery of the Council's Core Customer Contact Service and the triage model providing a range of complex services, to a diverse client group whilst maintaining excellent standards of service at all times.
