

Bingfield Park Engagement

View of the improved entrance from Bingfield Street. This is an artist impression of how the new park could look with new planting, new surfaces and an improved entrance. This visual shows a skate area using part of the Crumbles Castle area with some of the walls and tower retained.

Bingfield Park Engagement

This visual shows how the entrance from Gifford Street could look with a cycle route and planted areas. This improvement may be in a later phase of the improvements to the park.

Bingfield Park Engagement

This visual shows how the entrance from Randall's Road could look with rain gardens and tree planting. This improvement may be in a later phase of the improvements to the park.
